

# What can YOU do? The Campaign for Disability Employment

Every day, people with disabilities CAN and DO make important contributions to America's businesses. They have the drive to succeed in employment, and the skills and talent necessary to deliver on the job.

These are messages that bear repeating far and wide—and that's what the Campaign for Disability Employment (CDE) is all about. Funded by the U.S. Department of Labor's Office of Disability Employment Policy, the CDE is a collaborative campaign that promotes the employment of people with disabilities in America's workforce.

## Multimedia Products & Activities:

The CDE's multi-faceted campaign features a series of public service announcements (PSAs) and coordinating media products, all designed to promote positive employment outcomes for people with disabilities. Our tools include:

- ➔ **Powerful PSAs** that have aired widely on TV and radio stations nationwide
- ➔ **Resource guides** to accompany each PSA
- ➔ **Posters** to display in your business or organization
- ➔ **Print and web banner ads** available for download and publication
- ➔ **Ready-to-publish news briefs** for newsletters and websites
- ➔ **Robust social media content** on Facebook, X, LinkedIn and Instagram

Together, the CDE's products and positive messages are encouraging businesses and others to recognize the value that individuals with disabilities bring to the workplace.
