

The “Who I Am” Public Service Announcement Transcript of :30 Version

I’m a wife.

A sister.

And a grandfather.

I’m an office clerk.

I’m a research analyst.

Dance fitness instructor.

Actor.

I’m a copywriter.

I’m a veteran.

I have lupus.

Cerebral palsy.

I’m blind.

And I’m working in a job I love.

I love.

Because I was given a chance.

To contribute my skills and talents.

To show that my disability...

...is only one part of who I am.

Who I am.

Who I am.

At work, it’s what people CAN do that matters.
